

WESLI'S DORMITORY

The dorm is a great place to meet other WESLI students and make friends!

3MIN

walk to WESLI!

It is very close to State Street, a popular street with many cafés, restaurants, bars, and shops!

The dorm has pillows, sheets, blankets, linens, and towels for you to use.

The dorm apartments have all kitchen items you will need to cook: pans, dishes, cups, glasses, utensils, refrigerator, oven, microwave, stove, etc.

*Food is not included in the rent. You must buy all of your own food and cleaning products. If you do not know how to cook, please consider a food budget for eating at restaurants.

WESLI will reserve a dorm room for you. You can also request a driver to pick you up from the Madison airport or the downtown Madison bus stop on the UW Madison campus. Confirm your complete arrival details with WESLI at least 2 weeks before you arrive!

8W

All students are expected to stay a minimum of 1 class session (8 weeks) in the WESLI dorm. You can pay for the dorm before you arrive or during the first week of class. WESLI has discount prices for students who pay the total amount before the 5th day of classes.

Students have their \$200 security deposits returned to them if they clean the entire dorm apartment before they leave (bedroom, bathroom, living room and kitchen), return the key, and complete the exit survey.

There are two bedrooms and two bathrooms in each dorm apartment. If you have a regular double room, you share a bedroom and bathroom with one other student. You will have 3 roommates in your dorm apartment. Each student in the dorm needs to pay a \$200 security deposit.

SINGLE ROOM

The dorm has laundry machines on every floor, which can be used at any time for \$1.00 in coins (quarters).

*You must buy your own laundry detergent/soap.
